

Appl. No. 10/773,633  
Amdt. Dated 08/06/05  
Reply to Office Action of 05/06/05

**Remarks/Arguments**

Applicant would like to thank the examiner for the thorough review of the present application. Claims 2-3 and 8-9 have been amended to better describe rotating section 52. Applicant believes it is not necessary to change the term "stationary" to "rotating" throughout the remaining portions of the specification in view of the documented prosecution history of changing such terms in the claims. However, Applicant hereby authorizes the examiner to make any necessary changes to the specification in view of such claim amendments, if deemed necessary.

In view of these considerations, it is respectfully submitted that all pending are in condition for allowance. Should the examiner consider necessary or desirable to make formal changes anywhere in the specification, claims and/or drawings, then it is respectfully asked that such changes be made by examiner's Amendment, if the examiner feels this would facilitate passage of the case to issuance. Alternatively, should the examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned attorney.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,  
Law Office of Ashkan Najafi, P.A.
